

"All testing and exams are done professionally and the administrative requirements are handled in a timely manner. I highly recommend The Doctors Center Mobile Services for any company."

-Jeff,
Human Resource
and Safety Director

Who We Are

Founded in 1999, with corporate headquarters in Jacksonville, Florida, The Doctors Center Mobile Services is a provider of mobile occupational health testing programs dedicated to preserving safe work environments and improving existing safety programs for our clients and their employees.

Our highly trained staff will come to your facility in one of our modern mobile units to train, test, and screen your employees, ensuring a convenient and comfortable way for your company to maintain a healthy and positive work environment without interrupting productivity.

At the same time, our highly experienced physicians and administrators will make sure that all our services keep your company in proper compliance with the latest OSHA mandates and regulations.

Our services include:

- AUDIOMETRIC TESTING
- RESPIRATOR FIT TESTING
- HEALTH AND WELLNESS SCREENING
- D.O.T. PHYSICALS AND ANNUAL MEDICAL MONITORING
- SUBSTANCE ABUSE TESTING
- IMMUNIZATIONS

We provide a wide range of OSHA compliance testing and training programs at competitive prices. Call today—our dedicated staff is waiting to answer questions or provide additional information.
